RULES TO FOLLOW

We want to make sure anyone who visits Corral Creek Dog Sport Center has an excellent experience while they're here. So, we've got a few rules that everyone will need to follow:

DOGS ON LEASH

All dogs must be on leash and under control at all times. Exceptions? When you're safely inside the off-leash field for your reserved time, or actively working inside the arena areas.

KEEP DOGS QUIET

Unless dogs are actively working in a class or competition run, they may not bark. If dogs cannot wait in vehicles or quietly on leash, owners must use one of the enclosed 'quiet' rooms inside the building. Help us keep our neighbors happy!

PICK UP DOG WASTE

Owners must pick up dog waste and dispose of it in outside receptacles. Find a stray doo? Pay it forward and pick up that one, too!

BE NICE TO YOUR DOG

Handlers may not use harsh training methods on our premises, including hitting, punching, kicking, jerking on leashes, physically intimidating or otherwise mistreating their dog.

E-collars are also not permitted on our grounds.

Harsh treatment is to be decided by facility ownership and/or staff as well as onsite instructors.

RULES TO FOLLOW

NO AGGRESSION ALLOWED

Aggressive dogs towards people, other dogs or local livestock are not welcome. Dogs must be under their owner's control at all times. Those that engage in fights will not be allowed to return unless a dog trainer can certify their rehabilitation and ability to co-exist with other animals and people.

BE HEALTHY

All dogs onsite must be in good health per a licensed veterinarian. We encourage handlers to follow protocols for vaccinations or titer testing, as well as flea and tick control.

For the human half of the team, Corral Creek Dog Sport Center will follow all local government policies for healthy practices, including the Oregon Health Authority and the CDC. Guests must comply with these regulations.

Smoking of any kind is not allowed on Corral Creek Dog Sports premises.

STAY IN BOUNDS

Corral Creek Dog Sport Center shares land with a private homeowner and family. Respect the boundaries of the Dog Training Center at all times.

Users of Corral Creek Dog Sport Center acknowledge that dog sports comes with inherent risks to both dogs and people. Your health is YOUR responsibility and participants agree that engaging in activities onsite is voluntary, and that they will hold harmless the owners of Corral Creek Dog Sport Center and the property in the event of injury, death or personal property damage, or harm to their animals.
